

Spring Bingo in Kashmir!

Spring announces its arrival with new leaves and bright blooms. Look out from your window or take a walk around your neighbourhood. Find any 3 down or across and say Bingo! Use space under each box to make a note of the date, time of day, and place where you made these observations

My Observations

Something new I am noticing this season:

Something that I can no longer spot:

Find out about festivals, foods, songs or stories that celebrate spring:

Activity: Shepherds on the move!
Have you noticed sheep and goats being herded along the roads this month? They are going up the mountains. Do you know why? When do they return back?

New leaves

Flowering tree

Bees!

Birds building nests

A yellow or orange butterfly

Leaves you can cook and eat

Three shades of flowers

A birdsong
